Fill in the "word chain" below with names of pies. When you are done, read the circled letters to get a phrase describing how you might celebrate Pi Day. Answer: EAT A SLICE

Each word contains PI, which is replaced with  $\pi$  in the grid, e.g. SPIDER is  $S\pi$ DER.

## Unused letters are: READ LETTERS ON LEFT SIDE OF THE $\pi {\rm S}.$

## Those letters say: HAPPY PI DAY

When you are done, the circled letters will spell an observation about pie.
